In detail, please tell us how you fulfilled your 2016 #Africa4Her pledge(s)

Because we're in a Bad Need of Global Cooperation..due to chalenges of Risk-Management in Global Markets...The intrance in History is not only a haphazard but also Activities or Love in General is the crux of Success..Barack Obama for example i mention him in my blog <https://lecomptechristo.blogspot.com> as he entred history in its great Gate but people will appreciate after his Mandat all his efforts for building U.S. And the World.

The question of China and U.S. They worked together side by side to building and invest in Africa or else to discover other worlds by orbits that ressembls earth or its Complementary in order to fulfill business and prosperity for us & next generations they will come of course in the name of peace and human-rights .
